

American Lincoln Part

American Lincoln Part - Currently associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. In the industry they are recognized in the business as providing durable and strong machinery that satisfies the needs of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nation-wide through national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln can provide warranty service, machinery and parts for these scrubbers that have both the Encore and Clarke logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for numerous facility managers where efficiency and results matter. Lately, this particular floor scrubber model has been requested by the architects in various construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this particular sweeper scrubber on site due to the model's supreme performance level and high standard of quality for polishing concrete.
